Throughout it explores how far affirmative action programmes reinforce ethnic identities and thereby contribute to division and conflict.

### Affirmative Action, Ethnicity and Conflict eBook by ...

Affirmative action is often conceptualized as a conflict resolution mechanism in a situation of ethnic tension and socio-economic inequality. However, as the case of Fiji shows, affirmative action can also help spawn communal strife. Affirmative action is often used as political leverage by political parties and elites to serve political and personal ends.

### Ethnicity, affirmative action and coups in Fiji ...

Affirmative action should be used, in certain circumstances, to make choices among qualified individuals. An ethnic-minority or woman applicant who is not qualified for the position in question should not, on the basis of ethnicity or gender, be given preference over a qualified non-minority or male applicant.
