And you know what the community thinks of hackjob engine swaps at resale time... 10-19-2009, 09:14 AM #25. Bluebimma.

What is the best engine swap for e36 or turbo/supercharger

Use, E36 mounting arms, E36 engine mounts will work with 3mm spacer, S54 is heavier so the mounts will sink, especially the right side one, I used 3mm tick washers to compensate, because engine sits very close to rack and pinion. S54 heater hoses will work, the longer one will have to be cut to fit, the shorter one is direct fit.

hakentt's S54B32 engine swap in E36 1999 323is on a tight ...

No, Narek's E36 is not a 4 cylinder; however, it doesn't mean he didn't back up the STW looks with STW levels of potency. Under the hood lies an S54, sourced from the E46 generation of M3. As the final rendition of BMW's naturally-aspirated high-performance six cylinder engine, the S54 is often and widely regarded as an all-time great.

Hey everyone today I explain what parts you will need if you are thinking about doing a s54 swap into your car. S54 With 6 Speed Manual Trans Matching set of...

What Parts Are Needed For S54 Engine Swap - YouTube

I had new engine mounts put in. I bought a carbon fiber airbox. I did much more than was actually 'needed' to make this swap work. I actually spoke with Roman about this fact. He says that if you wanted a bare bones, S54 into E36 M3 swap done and done by a shop (that charges labor), you could do it for about \$9-10K.

E36 M3 With S54 Swap - How Much Does This M3 Swap Cost ...

Radiators - any E36 rad or Z3 s54 rad. Re-use the stock upper/lower hoses. E-fan is a must, I don't think you could fit the clutch fan in there. Get a good Spal fan (pull, not push) and call it a day. My swap harness was wired for an E36 engine coolant tempt sensor, so I bought a new one and replaced the E46 sensor.

S54 swap - (almost) all the info you need! - BMW M3 Forum

S54 swap is going to be preferred for track use. It's easier to keep cool than the snail will be. Power is roughly 280-320whp out of the box (just add headers and euro tune for the upper end of that) and the engine weight will be less compared to the S52 with a supercharger bolted to it.
