Warning: contains spoilers for 'Twilight' and 'New Moon'. 'Eclipse', the third book in The Twilight Saga, has been described as the best book in the series so far (I disagree with this, but I seem to be in the minority). Stephenie's writing is definitely better, and her characters are gaining new depth every chapter.

Forever Dawn is the original, unpublished direct sequel to Twilight, written for Stephenie Meyer's own pleasure. Meyer says that the book did not fit in with her young adult audience, since she "pretty much passed over the rest of Bella's high school experience entirely, skipping ahead to a time in her life with more mature themes." The book was therefore never published, and Meyer instead ...

This book follows the conventions of a typical romance novel -- the heroine is completely helpless, and completely obsessed with her love, and this is portrayed as perfectly OK instead of troubling. In Book 2 Edward attempted suicide when he thought Bella was dead. In this one, Jacob threatens it if Bella chooses Edward.

### **Eclipse: The Twilight Saga, Book 3 Book Review**

Eclipse, the continuing Twilight Saga. Since I wanted to read Twilight before I saw the movie, I decided that I might as well read the entire series!! Again, this was an easy read (still at home sick in bed) and I finished in 1 day. I wanted it to go on and on. Good for Edward being old fashioned.
