First French Kiss And Other

This book is called First French Kiss, because the first memory he shares with us is his first kiss with his 6th grade sweetheart. Other than that, there are no more kisses; I think the title had more of a capturing mechanism to it. As soon as I read the title, I wanted to know what it was all about. With witty satire, First French Kiss contains many humorous events and the confusion of growing up.

First French Kiss: and Other Traumas: Bagdasarian, Adam

...

Genre: Humor. First French Kiss and Other Traumas is a delightfully entertaining book about one boys life and his adventures through childhood and adolescence. The story is written in the voice of a boy named Will, as he recounts his childhood "traumas" that seem to him to be both major and minor incidents. The book has both a humorous tone as well as a more serious tone at times, as he explains his first make-out
