### Globalization and Sovereignty: Rethinking Legality ...

Export citation. Summary. The legalization of international human rights norms and the globalization of human rights discourses challenge the way we think about sovereignty, legitimacy, and international law. The international human rights regime that began after World War Two, blossomed in the mid-1970s and took on new force after 1989 has led some cosmopolitan moral and legal theorists to conclude that the sovereignty and external legitimacy of governments should be considered contingent ...
