Despite this, World War I remains a critical event in modern history. By the end of it, four of the most influential empires ever—German, Austro-Hungarian, Ottoman, and Russian—had fallen, which marked the beginning of the modern era. The aftermath of the war gave birth to the modern idea of the nation-state and ended the age of empires.

However, in the case of "A History of the 'Modern' World", this argument is almost redundant. The book does not promise to review every culture and history that has been; it promises to consider the 'modern world' and discuss where that came from. i.e., if a culture no longer exists and had little effect on the world, then it is not
